

Demolition Permit Application

TOWN OF DUNE ACRES
1 East Road
Dune Acres, Indiana 46304

All utilities servicing the site must be properly disconnected. Prior to demolition, please contact Indiana Underground Plant Protection Service at 800-382-5544 for location and identification of the underground lines. A narrative of the proposed demolition is required with this application. Any hazardous materials must be identified, declared and properly contained and disposed of. Your Dune Acres point of contact is the Building Commissioner, Rich Hawksworth, who can be contacted at 219-787-8505 (home), 312-337-6000 (cell), or richhawksworth@mac.com.

Permit Fee: \$100 - Date Paid ___ / ___ / ___

Building Commissioner will inspect site: 1) AFTER utilities are disconnected and PRIOR to the commencement of any demolition work; and, 2) After the completion of demolition and final grading. Demolition and removal of all debris will be started and completed within 30 days. Owner is subject to a fine of fifty dollars (\$50.00) per day for exceeding the 30-day period. Site shall be free of debris and graded for proper drainage prior to final inspection. A performance bond is required as associated with Building Permit per Section 46-91-C of the Town Code.
